PROFESSIONAL EXPERIANCE

Work as freelancer:

My freelance work experience divided in two different parts. The first part is my client which I worked with them as Art Director, Advertisement adviser and Graphic Designer of the company from its establishment till now. For this group of my client I design their company identity, their official documents, along with design all printing material including: magazine advertising, newsletters, promotional gifts,...

Here I mentioned some of them:

- *Navadala*, Beauty production online store, Madrid, Spain
- *Lotus Natural Spa*, Beauty production online store, Madrid, Spain
- *Rahan Tavan*, holding Company, Tehran, Iran

the second part is the companies I have worked with them as Graphic designer for a specific project like: Branding and logo design, poster design, design master catalogue, brochure, packaging,...

Here I mentioned some of them:

- *Mahtoorangasht*, Travel Agency, Tehran Iran
Design company identity, official documents such as visit card, letterhead and advertising materials.
- Hoshmandsazan OICE Trading Company, Tehran, Iran
Identity design and design printed materials including visit card, letterhead and master catalogue along with photography of all products.
